## CAREER SUMMARY

### Video Editor/Writer, Brandcom TV

2018 TO PRESENT

My video editing/color correction work is mostly focused on web and branding videos for agencies, corporations and other companies. I've used almost every editing software available in the past decade and have found Davinci Resolve 16 to be the quickest most feature filled interface available. My edit suite has a special hi speed line installed that can download an hour of uncompressed HD a minute. As a writer I've been published in many regional and national magazines and written countless scripts. I would love to work with you in either capacity to showcase the unique value proposition of your product or service.

### Writer/Editor, Imagesmith Productions

1998 TO 2018

I worked on commercials, and videos for local clients to larger brands including Hilton, Radisson, United Airlines, Celebrity Cruise Lines, Harvard/Mass General Hospital, Shopify, Stanley Tools and many more. I often wrote scripts for these projects. My writing also appeared in many regional and national publications including the Sun Sentinel Newspaper, Videography Magazine, Imagine Magazine, Magazine of Design and Style, and others.

### Writer/ Producer, Multimedia Prods. USA

1996-1998

As Writer/Producer of World Business Review I brought the series from concept to completion. This weekly CNBC, business technology, news and information series featured CEOs of top fortune 500 companies. The series was on CNBC for 10 years.
